第四部分 写作 (共两节, 满分35分)

第一节 短文改错 (共10小题; 每小题1分, 满分10分)

Everyone has a dream. So do me. When I grow up, it's my dream to be a scientist.

I

As the matter of fact, being a scientist had been one of my dreams since my childhood

a has

because scientists are the most knowledgeable and selfless in my mind. They devote

themselves to help work out difficult problem in our life. They work hardly to help people
helping problems hard

in need, asking[^]nothing in return. Science can push forward the development of the world,
for

and I'm sure I will make the world good if I can become a scientist. I know it will be no
better

easy job. Therefore, I believe my dream will be come true.

However

第2节 书面表达 (满分25分)

One possible version

Dear Justin,

How are you doing?

You said you wanted to meet me in your last letter and I'm very glad to tell you that I'm
planning to pay a visit to Australia this summer vacation. Will you meet me at the airport the day I get
there?

As a local, you must be very familiar with the attractions of your country. So I need your advice on
where to go and what to do during my stay in Australia. And I'll be overjoyed if you can join me in the
trip. I'm sure we'll have a great time together.

Can't wait to see you there.

Yours,
Li Hua
